

A GREAT FIRST IMPRESSION STARTS HERE

Get your home photo-ready.

8 simple checks. Please complete before your photographer arrives.

Brighten every room

Turn on lights, replace burned-out bulbs, and open blinds and curtains.

Clear the clutter

Put away toys, mail, clothing, shoes, laundry, and items you don't want photographed.

Tidy the kitchen

Clear counters and sinks; remove dish towels, refrigerator magnets, and papers.

Refresh bathrooms

Put away toiletries and shower products, straighten towels, and close toilet lids.

Bedrooms & living spaces

Make beds, arrange pillows, and tidy furniture and surfaces.

Prepare outdoor areas

Move cars away from the home, hide bins and hoses, and straighten patio furniture.

Put away pet items

Hide bowls, beds, toys, and litter boxes; secure pets away from the photo areas.

Do a final walkthrough

Turn off TVs and ceiling fans, and check that every room is ready.

TIP Store belongings somewhere that won't be photographed.
